WHY CHOOSE THE HR ACADEMY?

Tired of the Hassle & Costs of Driving Your Child to Lessons? Or waiting for the lesson to finish in 2 hours?

- ✚ Our in-person tutoring sessions are offered at your home at your convenient time and space.
- ✚ We cut you the traveling costs, traffic and the risks involved.
- ✚ Our online lessons include recorded classes, enabling students to request and review past sessions for reinforcement and better understanding.

Worried About Affording More Lessons or Maintaining Consistency?

- ✚ **Daily homework** is assigned to students, with feedback provided via our academic platform or email.
- ✚ We offer **free online support** on days when your child does not have lessons with the tutor. The tutor will be available to answer any academic questions the student may have.
- ✚ **Online support** is provided through our **user-friendly academic platform**, available on the App Store.
- ✚ **One optional free video call per week** (maximum duration: 1 hour) is available for additional support and consistency. This benefit is exclusive to in-person tutoring.
- ✚ **Tutor availability: Monday to Sunday, 9 AM – 8 PM.**
- ✚ This means you have nothing to worry about.

Do I have to pay for the lessons and buy study material for my child?

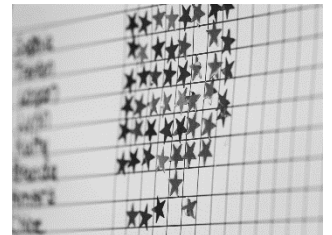

- ✚ No, you only pay for the lessons. All study material needed will be provided to the student.
- ✚ The study materials include Past question papers, Textbooks, Practice worksheets, Videos, Summary notes and links to external material.
- ✚ The package also includes School Homework and Assignment assistance and exam preparations.
- ✚ **Total VALUE FOR MONEY.**

School Homework and Assignment assistance

- ✚ Our tutors will be there to assist with general homework for all subjects.
- ✚ These tutors are also qualified to do aftercare 4 hours max.
- ✚ Tutors will assist/guide but not write for or do the student's work on their behalf.

How will I be able to track my child's progress?

- ✚ Parents will receive monthly feedback from the tutor and inspector assigned by the company.
- ✚ Parents will also be members in the workspace/group chat on our academic platform to see every conversation, homework and the daily homework feedback.
- ✚ Parents are allowed to inspect during the sessions and observe the tutoring methods.
- ✚ Tutor(s) will facilitate a once-off Exam with a maximum of 3 hours as a progress evaluation method at any random time (at no extra Cost)
- ✚ Tutor(s) will test the student every once a week to evaluate the weekly progress of the topics taught.
- ✚ **We believe in transparency.**

How will I know if your tutors are Qualified?

- ✚ Here at The HR Academy, Quality is our heartbeat and we pride ourselves on Highly trained tutors, who have achieved high Academic Excellence in their respective fields and have a clean record under the law.
- ✚ We train our Tutors to improve their Competence, Understanding of Content, Delivery of complex information in the simplest form possible, Communication skills and human psychology.
- ✚ Proof of their qualifications will be provided at your discretion.
- ✚ **Our tutors are friendly, professional, and know their ABCs.**

I worry a lot about safety since you come to my home, how can you ensure my safety?

- ✚ We perform checks with the law enforcement services (SAPS) to ensure that our tutors are good citizens who can be trusted by clients to visit their homes and be in contact with their children because we care about our client's safety.
- ✚ We provide all the necessary identification documentations of the tutor and supervisor sent to attend your tutoring needs at your discretion. (See section 6 and 7 on our T's and C's).
- ✚ **Your safety and academic success are our priority.**

Do we have a service guarantee?

- ✚ All our services are value for money, gold standard, hustle free and user friendly. So, whether you prefer to learn online or face to face, you still get a wide range of tutoring expertise that we promise in our all our packages.
- ✚ Go check our reviews on google and that will be testimony to our work.
- ✚ Google "The HR Academy (PTY)LTD".
- ✚ Also check us on Bark "The HR Academy (PTY)LTD"
- ✚ We also Verified on Trustpilot ratings

"We don't measure our excellence based on the number of people we have helped, but based on the ones we didn't help, because there are none"

Primary advantages of Private tutoring

- ✚ Face-to-face tutoring offers a personal up and close experience for the student.
- ✚ It is flexible and convenient based on the learner's needs.
- ✚ Face-to-face tutoring is delivered to your home at your desired time and space.
- ✚ Assists the student to focus on specific tasks tailor-made for their abilities.
- ✚ Offers deeper and wider learning that a classroom setting cannot do.
- ✚ Promotes the Student's courage to ask questions and boosts the learner's Academic confidence.
- ✚ Encourages accountability and work ethic.
- ✚ Eliminates Classroom pressure. Tutor focuses all the attention to one student.
- ✚ Allows the student to dictate their comfortable pace.
- ✚ Parents receive in-depth and more personalized feedback.
- ✚ **Our tutoring is true value for money.**

NB: Remember that our Qualified Tutors will come to your house at your convenient space and time.
